

As a totally independent, dedicated, solutions-oriented, and specialized in Automation Projects Management; 'EL-SEWEDY Automation S.A.E.' was born out of 'EL-SEWEDY INC.' to deal with the intimate local up-to-date and increasing demand for AUTOMATION.

Through a Shareholding Classification, 'EL-SEWEDY Automation' operates its business in 3 parallel lines:

- 1. 'Turn-Key Projects' for Automated Process Solutions for major clients across a variety of industry sectors.**
- 2. Enhancing the profitability of our clients business by providing great 'Technical Support and Services' that add value and enhance their investment.**

- 1. Conducting outstanding progressive training courses oriented on the Industrial Automation Field using the most advanced Rockwell-Automation Workstations.**

The Shareholders of 'EL-SEWEDY Automation' are a group of Automation Engineers with vast experience and skills in both Applications and Automation Fields. So far, we have shown continued strength and success to fulfill our esteemed clients' needs with a highly-qualified technical team providing and implementing successful Automation Solutions.

'EL-SEWEDY Automation' focuses on developing robust and cost effective Industrial and Process Solutions that draw upon working partnerships we build with our customers to solve their most important business problems whether Stand-Alone Packages or Large Integrated

Systems.

Our vision:

is to become the market leader in the System Integration and Services in Egypt within 3-years, and one of the best 5 System Integrators in the Middle East within 5-years.
